POLITICAL TWADDLE.

The Elko Independent says: In noticing the comments of the Republican papers of the State upon the State Convention held in this place, a stranger to the flimsy style of these journals would naturally suppose that a hive of London fish-women had swarmed in Nevada; mounted the tripods in the respective offices and were making of these papers, the vehicles for disseminating their favorite billingsgate. The demoralized state of politics in Nevada is ascribable to such abominable rot and coarse ribaldry quite as much as to the humiliation consequent to the State's playing second fiddle to California in the matter of choosing its most important officials. While clamoring for political purity, their daily utterances are calculated to further deprave and vitiate the public mind by familiarizing it with the very worst political methods. Bold assertion takes the place of argument—thus, by implication insulting the intelligence of the people—and by the adoption of the meanest methods of political warfare, promote the conditions they hypocritically affect to deplore.

But if it is expected by such objectional means to advance the party interests in this State, they are doomed to disappointment. The people of Nevada are not so stupid as to be swayed by newspaper abuse and vilification. Unsupported assertion, however vehement, will make but little headway against sound argument and the hope of bullying the people by bombastic bluster into the rejection or support of any candidate will prove a vain one. The people are generally well posted, and notwithstanding the most vigorous thumping of partisan tom-toms, aspirants for office will either stand or fall upon the basis of their public records.

THE GRAPE CURE.

SAL-MUSCATELLE

IN AMERICA

Without the Expense of an European Journey!

The crystallized salts, as obtained in a pure state from grapes and choice fruit, in a portable, palatable, simple form, are now presented to the public of America as the grandest solvent of impure blood, corrector of the liver and regulator of the bowels—the natural promoter of

HEALTH AND LONGEVITY.

Eminent physicians claim this achievement a new era in the allied science of medicine, as it furnishes the blood with its natural salines that are lost or eliminated every day.

Sal-Muscetelle

A POSITIVE NATURAL

SICK HEADACHE and
DYSPEPSIA CURE.

Sal-Muscetelle is Nature's own product. It supplies to the system the want of sound, ripe grapes and fruit. It is the simplest and best preventive and cure for all functional derangements of the liver and its kindred ailments; prevents the absorption of malarial diseases—fevers of all kinds; cures the effects of bad air, poor drainage and impure water; a powerful expeller of the blood; a natural stimulant for all skin eruptions, such as aches, rashes, eruptions, etc.; cures neural depression; it will remove the effects of accidental or habitual excesses of eating and drinking; restores your health and your vigor. It is a specific for the faint, weary or worn-out. Prepared by the

Can't Nevada elect a home man to the United States Senate?

Supt. Yerington was a passenger for Carson yesterday morning.

A. C. Cleveland is likely to be the Republican nominee for Governor.

F. Bettman, representing A. Finkhausen & Co., was in town yesterday.

James Leeper has returned from Winnemucca. Glad to see the boy back.

Another crowd of Republican delegates came in from the Great East last night.

The Carson Appeal says "the air of Reno is still blue since the Washoe primaries."

There are eleven candidates for State offices, on the Republican ticket, from Ormsby county.

A grand Fair for the benefit of the Catholic Church will be opened in Reno November 22d.

McConaughy & Ayres have 600 head of beef cattle here. The cattle came in in fine condition.

Don't forget Isaac Barnett's auction sale. Bocton will let you have things at your own price.

Jake Becker's lunches and beer are as eagerly sought by candidates, as votes from the dear people.

The English Mill sale will soon be definitely decided. The Eastern people will be here next week.

The Washoe delegation is reported divided, and some of them refuse to vote for Boardman for Judge.

A special car went up to Carson last night with the Eastern delegates, at double rates, or \$1 each.

Henry Morris will give you a nice clean shave. He understands his business thoroughly, and does his work up brown.

The candidate will soon be "round, as 'pumpative' as he can be; the guileless voter he will sound, and ask the g. v. to vote for he.

A beautiful cow, presented by James Sullivan to his daughter Maggie, will be raffled at the Catholic Fair for the benefit of the church.

O. Madden informs the JOURNAL that there are thirteen patients in the County Hospital, and he thinks a majority of them are there to stay.

The Carson Appeal declares that the announcement made by Fair that he is not in the fight, indicates pretty clearly to those who know him that he still thinks of coming in.

E. Meyer has made a good change in his cigar store by taking out that partition. He now has a chance to display his fine stock of cigars, tobacco, and other useful notions.

Mrs. Alt will next Saturday evening commence her dancing school for the Fall and Winter, at Armory Hall. Instructions given from 7:30 to 9 o'clock, after which there will be a social dance.

The Wizard Oil Concert will not be given to-night, so few reserved seats having been engaged, and thirteen seats does not warrant the troupe in bothering about the concert. The open air performance will be given as usual this evening.

The members and friends of the Baptist Church, of Reno, will give their Pastor Rev. C. L. Fisher, a reception on Friday evening, September 24, at his residence on North Virginia street, next door to Mrs. Simpson's. A cordial invitation is extended to all friends of the cause.

V. & T. ASSESSMENT.—Assessor Stodard and Supt. Yerington had a spirited conversation at the Depot yesterday morning about the V. & T. R. R. assessment. Last year the V. & T. was equalized at \$10,000 a mile. This year Mr. Yerington returned it at \$8,000 a mile. The Assessor assessed it at \$9,000, and upon Mr. Yerington being informed of the fact, he waxed wrothy, and declared that he was not going to be "cinched," that he would not bring any ore to the town, nor was it any use to talk to him about a State Fair train. Upon being informed that the Board of Equalization has not yet passed upon the V. & T. assessment, and that he could have a chance to appear before them next week, the Supt. cooled down a little, and said he would be here next week. The JOURNAL knows of no reason why the V. & T. R. R. should be reduced from \$10,000. That sum is really less in proportion than the farmers and business men of the county pay on their property, and in truth and in fact the V. & T. should pay on \$12,000 or \$14,000. The JOURNAL understands Commissioner Huffaker is in favor of raising the C. P. from \$18,000 to \$17,000 per mile.

MILITARY RIFLE TEAMS.—The annexed is clipped from the Virginia Chronicle: A glance at the programme and list of premiums prepared by the Board of Agriculture to be contested for at the State Fair, to be held in Reno next month, shows that through some oversight no prizes have been provided for a target contest between military rifle teams. This should be remedied at the first meeting of the Board, not only because it will be an additional attraction for visitors to the Fair, but to foster the spirit of generous rivalry between the State militia to become expert in the use of the rifle, thereby fitting them for efficient service in the field in case they are called upon to defend the State from foreign or domestic foes.

The fact that a man in order to become a crack shot must pay strict regard to the laws of hygiene in order to keep his system in perfect order is another reason why matches between military rifle teams should be fostered in the State, as it will result eventually in peopling it with a race free from the numerous physical infirmities to which the children of men who disregard the laws of health must inevitably fall heir.

GRAND OPENING OF THE TEMPLE OF FASHION, OCT. 1ST TO 6TH INCLUSIVE.—Mrs. Hessel respectfully invites the ladies of Reno and vicinity to attend the grand opening of the Temple of Fashion at which time she will have on exhibition the largest and most complete stock of millinery goods ever displayed in this city. She also takes pleasure in announcing to her friends and patrons that she has also secured for the coming season an experienced artist whose ability and refined taste will be a guarantee of perfect satisfaction to all.

AUCTION SALE.—C. W. Bocton, Auctioneer, having been appointed by Isaac Barnett to dispose of \$5,000 worth of goods, will on Monday, September 27th, at 2 o'clock P. M., commence an auction sale at the old stand and continue the same from day to day until the amount is raised.

LADIES, LADIES!—Your attention is called to the large and well assorted stock of ribbons that have just been received at Mrs. Hessel's Temple of Fashion.

Go to Hall's for fine fruits, vegetables and everything in the fancy grocery line. He also has a nice lot of Honey Lake apples.

A REMARKABLE PUBLICATION.

The Carson Union remarks: We have received to-day a pamphlet with the curious title-page which reads as follows: "Dedicated to William M. Stewart, my attorney in the 'Emma mine' controversy in 1871—Sad commentary on the honesty and conscientiousness of a lawyer and ex-United States Senator—Pitfalls and snares industriously prepared to enable him to purchase the interest of a confiding client—Unprecedented betrayal of trust and confidence—One million of dollars realized without drawing a legal line in the case or appearing in court—He constructed a monument to his memory in the capital of the nation, 'Castle Stewart'—His letters to 'Friend Lyon.' The pamphlet contains over 80 pages and is illustrated with a frontispiece exhibiting Stewart's dwelling in Washington. The contents are prefaced by a letter of four or five pages, addressed to Mr. Stewart and purporting to be signed by James E. Lyon. So nearly as we can judge without personal acquaintance an account of Mr. Stewart's connection with the celebrated Emma mine in Utah. It is probably an interesting book for leisurely reading.

A NEWSPAPER BOLT.

The San Francisco Chronicle says: The German Demokrat, which has been a staunch Republican paper for many years, startled the German reading public of this city yesterday morning by coming out with a long editorial leader announcing its desertion of the Republican ranks to enlist in the cause of Democracy. In giving its reasons for the bolt the paper states that in local affairs it had been strictly independent, but in State and national politics it has heretofore supported the Republican party, believing that the Republican form of Government was best for the interests of the people at large. Of late years, however, it has noticed a tendency on the part of the Republicans to affiliate with the various incipient party organizations now in the field, and in consequence the party has become exceedingly corrupt. Blaine's opening speech in the Maine campaign, and the platforms both State and national, adopted by the Republican convention during the past four or five years are critically reviewed at great length, and exceptions taken to the attitude of the party on the religious and prohibition questions.
